

Summer 11+ Revision Workshops

11+ subjects: Maths, English, Verbal and Non-Verbal Reasoning – CEM, Essex CSSE & GL

Give your child the best chance at passing their 11+ with flying colours by attending our revision camps during the summer holidays. Our summer workshops are designed to enhance their skill set and refining their exam technique by practicing mini exams under timed conditions.

Each day will be different to the next, where the focus will be on previously agreed topics. We will be looking to cover any weak areas experienced by the students attending our centre. Our workshops will be small groups where one of our selected tutors will provide an interactive and enjoyable class for all. Apart from mock exams, educational games and activities will be an integral part of the course – keeping our children focused and engaged throughout the day.

Our uniquely structured sessions will run from **9:00am – 3:00pm**. The work given each day will not be repeated in any other session.

Feedback is provided each day – both positive and areas for improvement.

Fresh fruit, soft drinks and biscuits will be made available free during break periods. Children must bring a packed lunch.

All our tutors have been carefully selected, vetted and have extensive 11-plus experience. They have excellent references and were also chosen for their caring nature, friendly personalities and enthusiastic teaching style to help encourage and motivate each student.

The cost is £40 per day for £7.50 per hour for current and new students.

Please see below the timetable for our workshops. If more information is needed please do not hesitate to contact us, our details are below.

Summer Class Schedule

Week 1

Date/Time	Monday 22 nd July 2019	Wednesday 24 th July 2019	Friday 26 th July 2019
9:00 – 10:15	Maths	Creative Writing	Maths
